

Employee Performance Management

End the Paper Chase | Reduce Costs | Make it Easy

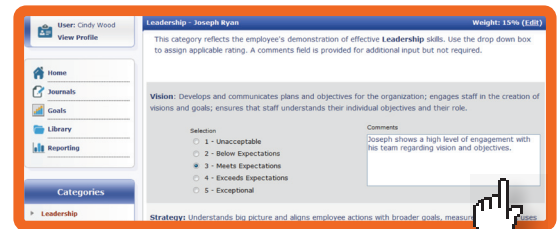

Key Benefits

- Increase employee engagement
- Align organizational goals
- Bridge the execution gap
- Drive productivity
- Reduce administrative costs
- Mitigate Risk

GoalSpan technology helps transform performance management from an event to a process. Our flexible and automated tools are highly relevant and timely, meeting the challenges organizations face today.

Powerful Features

- ▶ Two-way Evaluations
- ▶ Performance Gap Analysis
- ▶ Goal Management
- ▶ Performance Journaling
- ▶ Automated Notifications

Content Configurability

Use your current evaluation content, start from scratch, or leverage our knowledge base as an enhancement - GoalSpan will support your requirements.

Administrative Relief

GoalSpan relieves your administrative burden by developing your evaluations, supporting all data entry, and administers all event notifications and reminders.

Risk Mitigation

Creates a clear, easily accessible record of performance accountability – a critical resource in supporting compensation, termination, and promotion decisions.

No IT Impact

We deliver a web-based, on-demand model hosted in a secure environment by GoalSpan. No software to install, no hardware to buy – zero IT impact.

No Implementation Fees

Our solution is highly customizable for maximum relevancy, quick to implement, and is delivered with NO IMPLEMENTATION fees.

Through GoalSpan's customization and flexibility, the day of the paper chase is over. Make the move to GoalSpan and improve your organization with a powerfully efficient and effective process that invests in your greatest asset - people.
